

Each year in mid-February, the faithful make a pilgrimage to the birthplace of stock-car racing, Daytona Beach, Florida. This is the time to pay homage to this most unique form of American motorsport: *The Daytona 500*. First-time visitors are overwhelmed by the thunderous formation on the high speedway banks of brightly colored cars some have referred to as, "flying on the ground."

At the Good Sam Club's *Daytona 500* Samboree, the action promises to be loud, fast and furious on the 31-degree banked turns at the Daytona International Speedway. Here is your chance to experience the power and glory of American automotive technology as cars scream at speeds in excess of 200 mph. You will have choice seats at one of the most high-profile events of all sports.

The Daytona 500 is simply the crown jewel of the NASCAR calendar and the Good Sam Club has reserved tickets in the SPRINT Tower for the *Gatorade Duel At Daytona*, *Daytona 250*, *Camping World 300* and the *Daytona 500* for this exciting race weekend.

Affinity Group, Inc. (or the specific tour group like the Good Sam Club) is committed to providing reasonable accommodations for our disabled RV tour participants when it is in our control to do so. To assist us in providing this service, we request that you provide us with information concerning any accommodations you will need on the tour at the time of booking. Please keep in mind that we make arrangements with a number of third parties when scheduling events and will need advance notice as soon as possible in order to accommodate special needs. Please remember that at many tour destinations, the accommodations are temporary in nature and may not have all conveniences. Many events may include considerable walking and may not be comfortable for all participants. Facilities, such as seating for the disabled at special events, may not always be positioned with the rest of the group depending on access. We invite you to ask questions regarding specific tours in order to determine if the tours will meet your needs. Please note that while we will do our best to accommodate you in the event that parking, scheduling or other logistical problems result from adverse weather conditions or other events beyond our reasonable control, we are not responsible for any costs you may incur as a result of any such weather problems or other events that are beyond our reasonable control.
