Good Sam Club takes its commitment to our physically challenged members seriously. That is why we will always try to accommodate disabled members with special needs where and when it is within our control. Where transportation is provided, Good Sam Club will attempt to reasonably accommodate disabled passengers with special boarding needs. Because Good Sam Club often contracts with third parties for transportation services, we recommend that you notify us of any special accommodations, such as wheelchair access, at the time of booking an event. Also, Good Sam Club is not responsible for operating destination sites – i.e. Grand Canyon, Empire State Building, auto racing events, rodeos, etc. – and some of these sites may not be totally accessible to all persons. It is important that disabled passengers, especially those who use mobility aids, contact the destination sites personally prior to booking a Good Sam Club event to gain a complete understanding of any accessibility limitations.

Las Vegas Motor Speedway has the distinction of being the first completely new Super-Speedway to be built in the southwestern United States in more than 20 years. But along with everything else in this glamorous corner of Nevada, growth is a sign of the times. Las Vegas Motor Speedway hosted its first *NASCAR* event in 1996. A new attendance record for a Nevada athletic event was established the week of February 25 - March 1, 1998, when an estimated 250,000 fans converged on Las Vegas Motor Speedway for an extravaganza of auto racing activity.

2007 marked the first visit to the speedway for *NASCAR*'s premier series since the speedway raised its banks from 12 to 20 degrees, moved pit road approximately 250 feet closer to the grandstand and erected the state-of-the-art, fan-interactive area as part of the Nextel Cup garage. Good Sam has secured tickets to this exclusive Neon Garage for Friday to enhance your *NASCAR* experience.

In 2009 the race was extended by 18 laps and renamed the *Shelby 427*. Good Sam Club is proud to present reserved seats in the exclusive **Dale Earnhardt Terrace** for the *Shelby 427* race weekend. Don't miss out on this exciting opportunity to see the entire track from your reserved seats.
